§ 2-1-122 BUILDING AND STANDARDS COMMISSION.
(A) The Building and Standards Commission is established to hear cases concerning alleged 
violations of the City’s regulations and ordinances relating to the condition of and minimum 
standards for the maintenance of existing residential and nonresidential structures, premises, 
property, and establishments. The commission consists of two panels. The panels may schedule 
their meetings and divide their caseloads to hear cases efficiently.
(B) Each panel consists of 11 members. Each member of each panel is appointed for a term of two 
years or until a successor is appointed and qualified. A vacancy is filled for the unexpired term.
(C) The fire marshal and the health authority are ex officio members of each panel of the 
commission. An ex officio member may designate a representative to attend a hearing.
(D) The code official or the code official’s designee shall present cases to each panel and keep each 
panel’s records.

ZONING DISCUSSION ITEMS

155. NPA-2014-0005.02 - 1007-1011 Montopolis Drive (aka PRJ Development) - Conduct a public hearing and approve an ordinance amending Ordinance No. 20010927-05, the Montopolis Neighborhood Plan, an element of the Imagine Austin Comprehensive Plan, to change the land use designation on the future land use map (FLUM) on property locally known as 1007-1011 Montopolis Drive (Country Club East Watershed; Carson Creek Watershed) from Civic land use to Mixed Use land use. Staff Recommendation: To grant Mixed Use land use. Planning Commission Recommendation: To grant Mixed Use land use. Owner/Applicant: PRJ Development, L.L.C. Agent: Thrower Design (A. Ron Thrower). City Staff: Maureen Meredith, 512-974-2695.
The public hearing was conducted and the motion to close the public hearing and adopt Ordinance No. 20141211-155 to change the land use designation on the future land use map (FLUM) to Mixed Use land use was approved on Council Member Riley’s motion, Mayor Pro Tem Cole’s second on a 6-1 motion. Council Member Martinez voted nay.

The public hearing was conducted and the motion to close the public hearing and adopt Ordinance No. 20141211-156 for limited office-mixed use-conditional overlay-neighborhood plan (LO-MU-CO-NP) combining district zoning, with conditions was approved with additional conditions on Council Member Riley’s motion, Mayor Pro Tem Cole’s second on a 5-1 motion. Council Member Morrison voted nay. Council Member Martinez was off the dais.

The prohibited uses were:
- All office use (Except: administrative business; office land uses; and medical offices, medical office use will be limited to 1,500 square feet.)
- Vehicle trips per day limited to less than 2,000
- All structures on the property would be limited to a maximum of 2 story
- Maximum fence height of 6’ that would be constructed along the northern property line

PUBLIC HEARINGS AND POSSIBLE ACTIONS CONTINUED

188. Conduct a public hearing and consider an ordinance amending City Code Chapter 8-1 related to park operating hours.

The public hearing was conducted and the motion to close the public hearing and approve Ordinance No. 20141211-188 was approved with the following amendments on Council Member Riley’s motion, Council Member Spelman’s second on a 7-0 vote.

The amendments were as follows:
“(A) The Director may adopt operating hours for a public recreation area by rule. To be effective, hours adopted by rule must be posted. When considering operating hours for a trail, the Director should consider whether the trail contributes to the City’s transportation infrastructure. Unless the director adopts and posts different hours, the operating hours of a public recreation area are 5:00 a.m. to 10:00 p.m. [Except as provided in Subsection (B), a person may not enter or remain in a public recreation area between and 10:00 p.m. and 5:00 a.m.]

(B) The Pedestrian Advisory Council and Bicycle Advisory Council should be notified in advance of any rule changes that affect operating hours for a trail, including those trails established for the purpose of contributing to the City’s transportation infrastructure.”

190. Conduct a public hearing to receive comment from the public on the structure of council committees, how council committees provide council oversight for City departments, and council meeting management.

The public hearing was conducted and the motion to close the public hearing was approved on Mayor Pro Tem Cole’s motion, Council Member Spelman’s second on a 7-0 vote.
194. Conduct a public hearing and consider an ordinance amending City Code Chapter 25-6 to allow metered parking spaces to be counted towards the minimum off-street parking required for non-residential uses. The public hearing was conducted and the motion to close the public hearing and approve the first reading of the ordinance was approved on Council Member Riley’s motion, Council Member Spelman’s second on a 4-3 vote. Those voting aye were: Mayor Pro Tem Cole and Council Members Martinez, Riley and Spelman. Those voting nay were: Mayor Leffingwell and Council Members Morrison and Tovo.

196. Conduct a public hearing and consider an appeal by 35 Austin Partners Ltd regarding the Sign Review Board’s approval of several variances for property at 6406 N IH 35. The public hearing was conducted and the motion to close the public hearing and approve the appeal was approved on Council Member Spelman’s motion, Mayor Leffingwell’s second on a 7-0 vote.

ACTION ON ITEM(S) WITH CLOSED PUBLIC HEARINGS CONTINUED

228. Approve third reading of an ordinance amending City Code Title 25 related to the development of multifamily units. December 9, 2014 – Approved on a 6-1-1 vote with Commissioner Nelson voting nay and Commissioner Noyola abstained. (PUBLIC HEARINGS FOR THIS ITEM WERE HELD ON OCTOBER 16, 2014 AND NOVEMBER 20, 2014. THE PUBLIC HEARING WAS CLOSED ON NOVEMBER 20, 2014.)

There was a motion made by Council Member Riley and seconded by Council Member Spelman to approve the ordinance.

There was a friendly amendment made by Council Member Tovo to amend section (c) and add a new part 3 as follows. The amendment was not accepted by the maker of the motion.

Amend Section (C) to read:

“(C) This subsection applies to a multifamily use that is located in a transit-oriented development district or on a core transit corridor or future core transit corridor and that complies with the requirements in Subsection (C)(3). The provisions of this subsection do not apply to a property until Council determines by separate action that this subsection applies in the neighborhood in which the property is located.”

Add a new Part 3 and renumber the remaining parts accordingly.

“PART 3. The City Manager is directed to establish a process by which a neighborhood may request that Council approve application of the provisions of this ordinance to properties within the neighborhood boundaries.”

There was an amendment made by Council Member Tovo and seconded by Council Member Morrison to amend section (c) and add a new part 3 as follows. The motion failed on a vote of 3-4. Those voting aye were: Council Members Martinez, Morrison and Tovo. Those voting nay were: Mayor Leffingwell, Mayor Pro Tem Cole and Council Members Riley and Spelman.

Amend Section (C) to read:

“(C) This subsection applies to a multifamily use that is located in a transit-oriented development district or on a core transit corridor or future core transit corridor and that complies with the requirements in Subsection (C)(3). Ordinance No. 20141211-228 striking part 1(C)5 was approved on Council Member Riley’s motion, Council Member Spelman’s second on a 5-2 vote. Those voting aye were: Mayor Leffingwell, Mayor Pro Tem Cole and Council Members Martinez, Riley and Spelman. Those voting nay were: Council Members Morrison and Tovo.

**ZONING DISCUSSION ITEMS CONTINUED**

Items 157 and 158 were acted on in a combined motion.

This item was postponed to January 29, 2015 on Council Member Morrison’s motion, Council Member Tovo’s second on a 5-2 vote. Those voting aye were: Mayor Pro Tem Cole and Council Members Morrison, Riley, Spelman and Tovo. Those voting nay were: Mayor Leffingwell and Council Member Martinez.

This item was postponed to January 29, 2015 on Council Member Morrison’s motion, Council Member Tovo’s second on a 5-2 vote. Those voting aye were: Mayor Pro Tem Cole and Council Members Morrison, Riley, Spelman and Tovo. Those voting nay were: Mayor Leffingwell and Council Member Martinez.

The motion to waive the rules and allow Council to meet after 10 p.m. was approved on Mayor Pro Tem Cole’s motion, Council Member Spelman’s second on a 7-0 vote.

160. C14-2014-0111 - 4500 Speedway - Conduct a public hearing and approve an ordinance amending City Code Chapter 25-2 by rezoning property locally known as 4500 Speedway (Waller Creek Watershed) from family residence-neighborhood conservation combining district-neighborhood plan (SF-3-NCCD-
NP) combining district zoning to neighborhood office-neighborhood conservation combining district-neighborhood plan (NO-NCCD-NP) combining district zoning. Staff Recommendation: To grant neighborhood office-neighborhood conservation combining district-neighborhood plan (NO-NCCD-NP) combining district zoning, with conditions. Planning Commission Recommendation: To be reviewed on December 9, 2014. Owner: Navid Hoomanrad. Applicant/Agent: Husch Blackwell, LLP (Alexandra Jashinsky). City Staff: Sherri Sirwaitis, 512-974-3057. December 9, 2014 - Forwarded to Council without a recommendation. This item was postponed to February 26, 2015 with the following direction to staff on Council Member Morrison’s motion, Mayor Pro Tem Cole’s second on a 7-0. Direction was given to staff to take this item back to the Planning Commission to have it heard as rezoning for office.

DISCUSSION ITEMS CONTINUED

10. Approve an update to the Austin Energy Resource, Generation and Climate Protection Plan.

There was a motion made by Council Member Spelman and seconded by Council Member Morrison to approve an update to the Austin Energy Resource, Generation and Climate Protection Plan.

There was a friendly amendment made by Council Member Martinez to amend the General Plan. The amendment was accepted by the maker and Council Member Morrison, who made the second.

Page 6 of 9, under the subheading Solar should read, “Under the plan installed solar capacity would increase to at least 950 megawatts by 2025 including 200 megawatt of local solar. To ensure affordability, the plan recommends implementing a phased down of residential and commercial incentives programs to achieve the first 110 megawatt of local solar goals by 2020, including at least 70 megawatt of customer sited solar. Current projected cost declines of solar energy, technology improvements, finance alternatives and the implementation of supportive solar policies shall be utilized to enable the City to reach the 200 megawatt goal including at least 100 megawatts of customer sited local solar by 2025 absent further incentives.

There was a friendly amendment made by Council Member Martinez as follows. The amendment was later withdrawn by Council Member Martinez.

Under the 500 Megawatt Plant Decker Replacement Independent Review Process for Procurement and Scope of Work

Under the Procurement subheading:

The review process under number one and two should read, “1. The Electric Utility Commission(EUC) shall review and make recommendations regarding the scope of work and data assumptions as proposed by Austin Energy(AE) to City Council using the normally adhered to process. 2. AE staff will perform the final approval matrix evaluation and recommend three consultants one of which shall be approved by the City Council.”

Under the Generation Plan Implementation

“Upon completion of the independent study if necessary AE may implement the following.”

Qualifications of Proposer

Add a new bullet to read, “Experience and understanding of unique characteristics of a vertically integrated utility in the notal market under the experience that needs to be demonstrated by the proposer.”

Scope of Work

“Comparison with other scenarios that use a portfolio of storage demand response or renewable energy in lieu of investing in a new plant.”
“The assessment shall result in recommendations to Council of the least costly way or ways of meeting the generation plan when the full environmental costs are considered.

Last Section of the Time Line
Add to the fourth bullet point, “the preliminary draft report to be reviewed by staff and EUC will be delivered no later than May 29, 2015.”

There was a friendly amendment made by Council Member Tovo to amend the Generation Plan Summary as follows. The amendment was accepted by the maker of the motion and Council Member Morrison, who made the second.

- Inserting a heading titled “Appendix A” into related study titled, “500 MW Plant Decker Replacement Independent Review Process for Procurement and Scope of Work.”

There was a friendly amendment made by Council Member Tovo to amend the Generation Plan Summary as follows. The amendment was accepted by the maker of the motion and Council Member Morrison, who made the second.

- On page 4 of 9 replace item 1 to read: “Commencing a third party economic and environmental review as described in Appendix A of options for filling energy and capacity gaps created by the retirement of the Decker steam units and Fayette Power Plant.”

There was a friendly amendment made by Council Member Martinez to amend the Generation Plan with Appendix A as follows. The amendment was approved by the maker and Council Member Morrison, who made the second.

Appendix A
Background

As part of its 2014 Resource Plan update, Austin Energy (AE) has identified the potential for retirements and additions to its generation fleet. In particular, it projects the potential retirement of 735 MW of steam gas fired generation at its Decker power plant site and the construction of a new combined cycle gas unit with a nominal rating of 500 MW by the end of 2018. AE plans to reduce dispatch beginning in 2020 and retire its share of Fayette Power Project (FPP) (602 MW) by as early as 2023.

As part of its plan, AE has committed to sponsor an independent economic and environmental review of the new gas plant and other options for filling the resulting energy and capacity gaps. In addition to a new gas plant, the review should consider storage, renewables, power purchase, and demand response. The review is intended to provide an economic cost/benefit perspective of the new plant taking into consideration the construction and operating costs, changes in emissions and water usage, along with potential wholesale market revenue and benefits to the AE load zone and costs and risks as further detailed in the scope below. The review is intended to be shared on a public basis provided that certain specific competitive elements may be treated as confidential and shared only in executive sessions or non-public settings.

Procurement

The selection of the consultant or proposer shall be performed using the City of Austin procurement process through a competitive Request for Proposal (RFP). The RFP and resultant report by the consultant shall be managed by the office of the Chief Financial Officer at AE. Large binding dollar investments will not be made pending the results of this report.

The following reviews and approvals will be contained in the RFP process:
1. The Electric Utility Commission (EUC) shall review and make recommendations regarding the scope of work and data assumptions as proposed by Austin Energy to City Council using the normally adhered to process.

2. AE staff will perform the final approval matrix evaluation and recommend 3 consultants one of which shall be approved by City Council.

**Qualifications of Proposer**

Proposer must have ten plus years of analytic experience (individually or corporately) in the areas of wholesale power markets and the financial assessment of power generation facilities in those markets. In particular, the proposer should have a strong track record of conducting such analysis in the framework of competitive wholesale locational marginal price power markets with specific experience in the ERCOT nodal market. Proposer must demonstrate relevant experience and capabilities that include:

- Pro-forma financial analysis for power plant developments as noted above consistent with current industry practices.
- The ability to obtain or provide appropriate data inputs necessary for such analysis, including estimates of power plant construction and operating costs as well as projections of future fuel and power prices.
- The ability to support the analysis based on the use of a production cost model such as UPLAN, PROMOD or MAPs suitable for the ERCOT's nodal power market.
- The ability to analyze environmental risks and costs, including water usage and pollution impacts.
- Familiarity with energy efficiency, demand side management, renewable energy, energy storage, and purchase power agreements.
- Experience providing analytical support for with major domestic or international financing firms/ratings agencies (Fitch, Moody’s, S&P) for large investments.
- The ability to use a Monte Carlo analysis for performing sensitivities. Experience in the use of Weibull distributions in engineering economics is preferred.
- Experience and understanding of the unique characteristics of a vertically integrated utility in the nodal market.

**Scope of Work**

AE seeks a financial assessment of the costs and benefits of a nominal 500 MW natural gas combined cycle plant to be constructed in the Austin area at either its Decker Creek plant site or its Sand Hill Energy Center site to the costs and benefits of alternatives such as, large-scale storage, renewables, purchased power and demand response. The assessment must include the following elements at a minimum:

- Expected and hi/lo sensitivities for construction costs of the gas plant including direct and financing costs
- Projected operation and dispatch of the gas plant that includes:
  - Detailed facility performance characteristics including heat rates, ramp constraints and other relevant operational limits
  - Hourly level dispatch using an appropriate production cost model such as UPLAN, PROMOD or MAPs that considers transmission topology in a security constrained economic dispatch approach based on the ERCOT market.
Must include detailed description of the market driver inputs such as load, generating capacity and fuel
  - Expected and hi/lo sensitivities for on-going operating costs including operations and maintenance, fuel, and financing
  - Expected and hi/lo sensitivities for power market prices and plant revenue derived from energy and ancillary services
- The impact to revenue, cost and associated risks in the AE load zone under scenarios that include:
  - A retirement of its Decker steam units and FPP without a new generator in the Austin Energy load zone
  - A retirement of its Decker steam units with the construction of a new 500 MW gas combined cycle plant at the Decker site
  - A retirement of its Decker steam units with the construction of a new 500 MW gas combined cycle plant at the Sand Hill Energy Center site
- Comparison with two other scenarios that uses reasonable combinations of energy storage, demand response, or renewable energy in lieu of investing in a new plant
- Validation of inputs to be used for analysis
- Other benefits and impacts associated with the alternatives such as:
  - Resultant impact on water use
  - Resultant impact on local criteria pollutants and broader effects of these pollutants
  - Land use impacts at Sand Hill or Decker
  - Revenue benefits and costs to AE customers
  - General fund transfer/tax effects for Austin taxpayers
  - Local Economic impact of project/plant

The assessment shall result in recommendations to Council of the costs and impacts of each of the scenarios.

The Base Deliverables desired for this project are:

1. a written executive summary of the findings.
2. a PowerPoint slide deck of the findings.
3. a written report which includes the findings as well as narrative details regarding the findings, methods and assumptions used in the report.
4. A minimum of three meetings to be held in the Austin area to present the findings. These meetings may be held on non-consecutive dates over a period of several days or weeks.

Optional Deliverables may include:

5. Options for Proposer to attend one or more additional meetings in the Austin within the next 90 days.
6. Option to perform an assessment of local economic development impacts of the alternatives.

As previously noted, it is AE’s intent that the majority of the deliverables will be publicly available. However, proposer may be required to execute a confidentiality agreement in order to receive access to competitive, non-public information from AE and to protect such information as it relates to the deliverables.

Please include the following in your response:
1. A list of staff to be involved in the project including resumes and work experience applicable to the requirements
2. Workplan and costing for the base deliverables
3. Costs for optional deliverables

Timeline

AE will endeavor to adhere to the following schedule:

- Present scope to EUC for review on December 15, 2014
- Present consultant selection to Council Committee on AE (CCAE) for review
- Review assumptions to be used in analysis with CCAE as soon as available
- A preliminary draft report to be reviewed by staff and EUC will be delivered no later than May 29, 2015
- The final report will be delivered for presentation to the EUC, Austin City Council or the CCAE by June 27, 2015.

There was a friendly amendment made by Mayor Pro Tem Cole to have the second paragraph of the above friendly amendment read as follows. The amendment was accepted by the maker of the motion and Council Member Morrison, who made the second. The second paragraph should read, “As part of its plan, AE has committed to sponsor an independent economic and environmental review of the new gas plant and other options for filling the resulting energy and capacity gaps. In addition to a new gas plant, the review should consider storage, renewables, power purchase, demand response, and energy efficiency. The review is intended to provide an economic cost/benefit perspective of the new plant taking into consideration the construction and operating costs, changes in emissions and water usage, along with potential wholesale market revenue and benefits to the AE load zone and costs and risks as further detailed in the scope below. The review is intended to be shared on a public basis provided that certain specific competitive elements may be treated as confidential and shared only in executive sessions or non-public settings.”

There was a friendly amendment made by Mayor Pro Tem Cole to have number two under the procurement section in the above friendly amendment read, “AE staff will perform the final approval matrix evaluation, the EUC will provide comments to Council on recommendations and recommend 3 consultants one of which shall be approved by City Council.” The amendment was accepted by the maker of the motion and Council Member Morrison, who made the second.
