Subject: Request for information

---

Dear Shirley Rinn,

This may seem like an off-the-wall request, but I would like to know the dimensions for the offices of the mayor and the city manager.

This information would be helpful to provide a basis for comparison to another office space in reference to a story that I'm working on.

I hope that you will be able to provide this information. As always, I'm grateful for your help.

Best regards,

Ken
