City Council Member's Name: Pat Bergman
Position: District 5 Councilman / Mayor Profem
City Council compensation is in two parts:

Base Compensation is intended to cover a portion of the normal expenses incurred while serving in the office, transportation costs and maintaining communication with constituents. This monthly payment is \$300 for each council member and \$450 for the mayor.

Additional Stipend is intended to be an optional stipend for those council members and the mayor who wish to accept it as a way to partially offset the economic loss they may incur as a result of serving on the council. A payment of \$800 per month for council members and for the mayor is available as additional compensation; no proof of actual economic loss is required to accept the Additional Compensation.

Note that in some instances a City Council member may be prohibited by law from receiving any compensation.

Base Compensation	I Accept	I Decline
\$300/month for City Council Members	1/	1
\$450/month for Mayor		
Additional Compensation	I Accept	I Decline
\$800.00/month		

All compensation received from the City is <u>taxable income</u>. The compensation elections stated above shall remain in effect until revoked or replaced by the undersigned, or as otherwise required by law. The City takes no responsibility for any tax implications associated with the additional stipend.
