## PLAINTIFFS' ORIGINAL PETITION

Plaintiffs, Anthony Sessa and 137 property owner/clients of Five Stone Tax Advisers, LLC (Five Stone Plaintiffs) file this Original Petition against Defendants Travis Appraisal Review Board (TARB) and the Travis Central Appraisal District (TCAD) seeking a court order requiring Defendants to give them a prompt hearing on their timely filed protests of their 2019 tax appraisals.

### A. SUMMARY AND DISCOVERY CONTROL PLAN

1. a. All 138 plaintiffs in this case timely filed protests of their 2019 tax appraisals with TCAD, but they have yet to receive a hearing before the TARB to contest the tax appraisals. Yet, their 2019 taxes must be paid by January 31, 2020. In all 138 cases, the TARB, using the support staff of the TCAD Chief Appraiser, failed to send timely notice of protest hearings and then refused to schedule the hearings. As is shown below and attached, there is plenty of evidence of errors by the TARB support staff in not properly delivering the statutorily required notices of hearings. This lawsuit merely seeks a timely hearing for these 138 taxpayers.

b. In Plaintiff Sessa's case, even after the TARB admitted that the TCAD support staff had failed send him a notice of his hearing and agreed to reschedule his hearing, TARB announced it "*adjourned* for the 2019 tax protest season" (apparently as of October 19, 2019) and he would

Plaintiffs' Original Petition Page 1 of 12 not get a protest hearing of his 2019 taxes "until spring/summer of 2020." EXHIBIT P-1

c. In the case of the 137 Five Stone Plaintiffs, an unusual Saturday, July 27<sup>th</sup> hearing was scheduled for those protest hearings. But Five Stone did not receive the statutorily required notice of hearings, perhaps because of the unusual scheduling on Saturday. <sup>1</sup> When TARB refused to reschedule the hearings, Five Stone filed an appeal pursuant to Tex. Tax Code section 41.411, but the TARB again refused to allow these taxpayers to have a hearing on their protests. EXHIBIT P-2.

d. Five Stone was not the only tax agent firm in 2019 to document problems with the performance of the TARB support staff delivering the notices of hearings. As the attached affidavit from Texas Protax-Austin, Inc. officer Debra Bawcom demonstrates, during the 2019 protest season, several times TARB sent notices intended for one tax agent firm to different tax agent firm, sometimes including the mis-sent notice of hearing in an envelope addressed to Protax; sent empty envelopes that were supposed to contain hearing notices; and sent a box of ARB Board Orders to Protax that included board orders for a different tax agency. Like Plaintiff Sessa, Protax reports that it has 52 outstanding protests from 2019 that have not even been scheduled for a hearing. EXHIBIT P-3.

e. Discovery in this case is intended to be conducted under Level 2 pursuant to Texas Rules of Civil Procedure 190.3.

<sup>&</sup>lt;sup>1</sup> There were actually 254 Five Stone clients who were affected by failure to send notice of hearings for the July 27<sup>th</sup> hearing, but only 137 cases are being appealed to district court.

#### **B. RELIEF**

## 2. Plaintiffs seek only nonmonetary relief. Tex. R. Civ. P. 47(c)(2).

### **C. PARTIES**

3. Plaintiffs are:

a. Anthony Sessa is property owner of TCAD PID No. 881404 and a resident of Travis County who may be served through his attorney of record in this case.

b. 137 Residential Property Owners who are customers of Five Stone Tax Advisers and are listed by name and the TCAD Property ID (PID) of their property in the list on the last pages of this petition. These plaintiffs may be served through their attorney of record in this case.

4. Defendants are:

a. The Travis Appraisal Review Board who may be served via its Chair, William Fields, at the Travis Central Appraisal District offices at 8314 Cross Park Drive, Austin, Texas.

b. The Travis Central Appraisal District may be served via its Chief Appraiser, Marya Crigler, at the Travis Central Appraisal District offices at 8314 Cross Park Drive, Austin, Texas.

### **D. JURISDICTION & VENUE**

5. The District Courts of Travis County, Texas have jurisdiction over this case pursuant to Texas Tax Code section 41.45(f) against the Appraisal Review Board regarding Sessa's hearing and pursuant to section 42.01 and 42.21 against the Appraisal District, and for the Court's jurisdiction for equitable relief, such as the injunctive relief requested herein. The amount in controversy exceeds the minimal jurisdictional limits of this Court, and the exercise of this Court's

Plaintiffs' Original Petition Page **3** of **12**  jurisdiction over the Defendants is proper. Venue is mandatory in the District Courts of Travis County, Texas pursuant to Texas Civil Practices & Remedies Code § 15.002.

#### **E. FACTS**

6. The facts stated in Paragraph 1 above are incorporated herein. Neither Sessa nor the 137 Five Stone plaintiffs (via their designated tax agents) received notice by mail from the TARB of the hearings held by the ARB of their 2019 tax appraisal protests. The TARB dismissed the protests as "failure to appear." In Sessa' case, TARB admitted that the TCAD support staff had failed to send notice to Sessa of his hearing but then refused-without explanation or legal justification-to have the hearing until 2020 ARB hearings are held. Five Stone made a Section 41.411 motion which the TARB heard on October 18, 2019. At that hearing, TCAD/TARB did not show evidence sufficient to uphold the presumption that the hearing notice for the July 27<sup>th</sup> Five Stone hearings was delivered to Five Stone. Five Stone provided evidence to the TARB that it did not receive the notices of hearing. Five Stone received, by mail from TARB/TCAD hearing dockets for the time span that included Friday, July 26<sup>th</sup> and Monday, July 29<sup>th</sup> with sequenced page numbers between the end of the Friday docket and Monday docket. No Saturday, July 27th, hearings were included in that packet. Despite clear evidence that Five Stone did not receive the hearing notices for the Saturday, July 27<sup>th</sup> hearings and no evidence from TCAD staff that they actually mailed the notices, the TARB refused to grant the Section 41.411 and refused to give the Five Stone plaintiffs a hearing on their 2019 tax appraisal protest.

7. Five Stone received TARB Board Orders, by certified mail, dismissing the appraisal protests at issue in this case on November 12, 2019. This appeal to district court is timely filed pursuant to Tex. Tax. Code section 42.01 and 42.21.

# F. CLAIMS

# **Denial of ARB Hearing**

## 8. Tex. Tax Code section 41.45(f) says:

(f) A property owner who has been denied a hearing to which the property owner is entitled under this chapter may bring suit against the appraisal review board by filing a petition or application in district court to compel the board to provide the hearing. If the property owner is entitled to the hearing, the court shall order the hearing to be held and may award court costs and reasonable attorney fees to the property owner.

Plaintiffs were entitled to a hearing. Plaintiffs seek a court order requiring the TARB to

provide them a prompt hearing of the 2019 appraisal protest.

## Failure to Provide Hearing Notice

9. The failure of the TARB to deliver a hearing notice to the Five Stone Plaintiffs (via Five

Stone) violates the following Tax Code provisions.

a. Tex. Tax Code section 41.411 says:

Sec. 41.411. PROTEST OF FAILURE TO GIVE NOTICE. (a) A property owner is entitled to protest before the appraisal review board the failure of the chief appraiser or the appraisal review board to provide or deliver any notice to which the property owner is entitled.

(b) If failure to provide or deliver the notice is established, the appraisal review board shall determine a protest made by the property owner on any other grounds of protest authorized by this title relating to the property to which the notice applies.

b. Tex. Tax Code section 41.46 says:

NOTICE OF PROTEST HEARING. (a) The appraisal review board before which a protest hearing is scheduled shall deliver written notice to the property owner initiating a protest not later than the 15th day before the date of the hearing. The notice must include:

(1) the date, time, and place of the hearing;

Plaintiffs' Original Petition Page **5** of **12**  (2) a description of the subject matter of the hearing that is sufficient to identify the specific action being protested, such as:

(A) the determination of the appraised value of the property owner's property;

(B) the denial to the property owner in whole or in part of a partial exemption; or

(C) the determination that the property owner's land does not qualify for appraisal as provided by Subchapter C, D, E, or H, Chapter 23; and

(3) a statement that the property owner is entitled to a postponement of the hearing as provided by Section 41.45 unless the property owner waives in writing notice of the hearing.

c. Tex. Tax Code section 1.07 says:

DELIVERY OF NOTICE. (a) An official or agency required by this title to deliver a notice to a property owner may deliver the notice by regular first-class mail, with postage prepaid, unless this section or another provision of this title requires or authorizes a different method of delivery or the parties agree that the notice must be delivered as provided by Section 1.085 or 1.086.

(b) The official or agency shall address the notice to the property owner, the person designated under Section 1.111(f) to receive the notice for the property owner, if that section applies, or, if appropriate, the property owner's agent at the agent's address according to the most recent record in the possession of the official or agency. However, if a property owner files a written request with the appraisal district that notices be sent to a particular address, the official or agency shall send the notice to the address stated in the request.

(c) A notice permitted to be delivered by first-class mail by this section is presumed delivered when it is deposited in the mail. This presumption is rebuttable when evidence of failure to receive notice is provided.

10. The TARB is without legal authority to just prematurely "adjourn" hearing 2019 taxpayer

protests while hearings are still pending, and Plaintiff Sessa is entitled to a timely ARB hearing.

In addition, if the Five Stone plaintiffs prevail on their claim of their lack of notice, they too are

entitled to prompt and timely hearing of their 2019 tax appraisal protests. Plaintiffs were entitled

by stature and due process to receive notice of the TARB hearing and to have such a hearing on

Plaintiffs' Original Petition Page 6 of 12 their 2019 tax appraisal protests scheduled promptly. Therefore, Plaintiffs seek a court order compelling the Defendant Travis Appraisal Review Board to grant Plaintiffs prompt hearings on their appraisal protest for 2019.

## G. CONDITIONS PRECEDENT

11. All conditions precedent have been performed or have occurred.

## PRAYER

For these reasons, Plaintiffs pray that-

a. Defendants be cited to appear and answer;

b. Plaintiffs be granted judgment as follows:

1. Pursuant to Tex. Tax Code 41.45(f), enter an order compelling the Defendant Travis ARB to promptly grant hearings to each Plaintiff on their 2019 appraisal protest, and after such hearing, to correct the 2019 appraisal records of Travis County;

2. Pursuant to Tex. Tax Code 42.24(c), find that TARB failed to provide notice of hearing to the Five Stone Plaintiffs as required by Tex. Tax Code section 41.411 and enter an order compelling the Defendant Travis ARB to promptly grant hearings to each Plaintiff on their 2019 appraisal protest, and after such hearing, to correct the 2019 appraisal records of Travis County;

c. Plaintiffs be granted judgment for all costs of court.

d. Plaintiffs be granted all further relief to which Plaintiffs may be entitled.

Respectfully submitted,

ill aleshire.

Dear Mr Sessa,

Your email to Travis Central Appraisal District (TCAD) was forwarded to the Travis Appraisal Review Board (TARB) for review and action. Although TCAD Customer Service did reschedule your Formal Protest Hearing to another date and time, they neglected to advise you of that date and time. Your rescheduled hearing was on the TARB hearing docket for October 11, 2019 at 2:00 PM, thus your protest status has changed to Failure to Appear (FTA).

We have reopened your 2019 market value protest and we will reschedule your new hearing on the next 2019 protest hearing docket. Since the TARB has adjourned for the 2019 tax protest season, your property protest hearing will not take place until the spring/summer of 2020.

Good afternoon,

I wanted to reach out because I have received an email about the final value of my protest.

I have two concerns:

- The website currently will not load any information or additional pages. There seems to be some kind of bug / issue.
- 2. I did not receive a formal hearing date or time via the mail, so I am not sure how a final appraisal value would be arrived at?

Per the guidance provided in the enclosed email correspondence with ARB Chairperson, Betty Thompson, we are hereby submitting a Protest of Failure to Give Notice per Section 41.411 of the Texas Property Tax Code.

Therefore, on behalf of the property owners referenced in the enclosed list, we hereby request you grant our petition for a hearing for these properties originally protested per Texas Property Code 41.44(d) and other applicable provisions of the Texas Property Tax Code. We request that these hearings be scheduled in a manner consistent with the scheduling to-date, in terms of the number of cases per panel. If this is not possible, in accordance with Section 41.66(j) of the Texas Property Tax Code, this notice serves as a "request for same-day protest hearings".

#### Please confirm receipt of this email and the enclosures.

Mr. Krueger,

In response to your July 25th request regarding the following:

7-27 Docket Number	Туре	Count
7485	Residential	40
7493	Residential	40
7495	Residential	40
7497	Residential	40
7498	Residential	40
7499	Residential	40
7793	BPP	1
7814	Residential	13
Grand Total		254

Below is a breakdown of the 7/27 Docket Number/Type/Count:

You indicate that you had not received Notice of the Hearing from the Appraisal Review Board for these 2019 protests. You became aware of the scheduled hearing on 7/23/2019 in a response to Public Information Request made by your company to the Appraisal District. Agreeing with your point, a request made under the Local Government Code does not satisfy the noticing requirement of the ARB under the Texas Property Code.

Your company's agents did not appear on 7/27/2019 due to the "failure to send notice". The Texas Property Code provides remedy for this very situation under section 41.411. All 254 accounts have been dismissed and you will be able to file a 2019 protest under the 41.411 motion. These hearings will not occur until late October when the ARB begins late motion hearings.

In addition, docket 5793 from Saturday, 7/20/2019, was not signed-in and when inquiry was made of your agent working that day, he responded he would not be working this docket. This is a commercial docket which would not been connected to Justin Nye's emergency, so we would have expected you to send an agent to the scheduled hearings. No contact was made in the four day window post the scheduled hearing date to offer "good cause". This docket was dismissed for FTA. Dockets 6560 and 6601 remain open pending hearing as part of the emergency associated with Mr. Nye's personal family issue. We will expect you to complete this work by August 7th.

Ms. Thompson,

I write to you concerning the ARB's failure to provide proper notice for the apparently scheduled dockets of Saturday July 27<sup>th</sup>.

Five Stone has not received notification of any hearings scheduled for July 27<sup>th</sup> and therefore will not be present in the event there are scheduled hearings.

Facts:

• Five Stone did not receive any scheduling letters nor any notification of any type for July 27<sup>th</sup>.

• Five Stone has received scheduling letters for all other hearings this year, including July 26<sup>th</sup> and July 29<sup>th</sup>, the days bracketing Saturday the 27<sup>th</sup> (attached, in date and page numbered order as produced by the ARB). This document clearly shows no hearings scheduled for July 27<sup>th</sup>.

• On July 8<sup>th</sup>, through an open records request, TCAD provided a spreadsheet which included our hearings scheduled through Aug 2cd. This spreadsheet showed no hearings scheduled for July 27<sup>th</sup>. (attached)

• **On July 23<sup>rd</sup>**, through an open records request, TCAD provided a spreadsheet which included 6 full dockets of hearings apparently scheduled for July 27<sup>th</sup>.

• There are no scheduling notifications in the "agent portal." (attached).

If there are in fact hearings scheduled for Saturday July 27<sup>th</sup>, please reschedule those hearings and provide 14 days' notice as required by law.

If there are in fact hearings scheduled for Saturday July 27<sup>th</sup>, please explain when the decision was made and why notice was not provided.

## AFFIDAVIT OF DEBRA BAWCOM

"My full name is Debra Glynn Bawcom. My date of birth is [REDACTED], and my address is 405 Friesian Ln., Cedar Park, TX 78613. I am over 18 years of age, of sound mind, and capable of making this verification. I declare under penalty of perjury that the facts stated below in this affidavit are true and correct and are within my personal knowledge. The attached exhibits (emails) are true and correct copies collected and maintained in my capacity as Chief Executive Officer of Texas Protax-Austin, Inc. This affidavit is provided for evidence in support of Five Stone Tax Advisors' clients seeking a district court order for ARB hearings pursuant to Tex. Tax Code section 41.411.

1. We began the tax appraisal protest process at the Travis Central Appraisal District for 2019 around mid-April. On Wednesday April 17, 2019, I emailed the "Agent Portal" email with several questions concerning the portal waivers, disclaimers, and lack of information being provided by the appraisal district on this new process. In this email, I specifically asked questions concerning the plan by the appraisal district and the appraisal review board to send formal hearing notices. In TCAD's response Friday April 19, 2019, TCAD specifically stated that the TCAD Portal was only implemented for the "Informal Process" and was not to be confused with the formal procedures for hearing notices. TCAD stated, "the agent portal is being used to facilitate the informal process rather than the formal process in accordance with the requirements imposed by the Texas Property Tax Code and the 2019 TARB Agent Policy. Please do not confuse the informal process with the formal process. "

2. On May 21, 2019, we received our first round of hearing notices from the Appraisal Review Board. On May 22, I emailed Ms. Betty Thompson, Chair of the Travis Appraisal Review Board, with several questions and concerns about the notices we had received. My first point of concern was that we were "extremely concerned that some of our hearing notices could be mailed to other companies and not delivered to any of our agents." We included with the email an example of a hearing notice addressed to another firm that was included in our hearing packets from May 21.

3. We went on to request all hearing notices for agents with Texas Protax be sent to their email address on file – agents@texasprotax.com as well as all hearings be given in an excel format along with the official hearing notice letter and docket. These requests were never acknowledged nor fulfilled.

4. On May 23, 2019, I followed up on the May 22 email after receiving a form letter from the ARB trying to explain the plan for all the dockets received May 21. Again, I reiterated our concern about not receiving notices, and again asked for notices of hearings to be emailed to <u>agents@texasprotax.com</u> and sent to us in an electronic excel format. Again, this email went unanswered or acknowledged.

Affidavit of Debra Bawcom Page 1 of 2

5. I followed up with our concerns about scheduling and the hearing notices again on June 10, 2019 in another email to the TCAD ARB Chair. I again mentioned our concern that dockets appeared to be missing because some of our agents had not been scheduled for hearing when others had. I again brought up the hearing docket we received for another firm that had been provided in the May emails. Again, this email went unanswered or acknowledged.

6. On Tuesday, July 16, I emailed Ms. Thompson again concerning dockets we had received that were not correct. On July 16, 2019, we received a hearing notice supposedly for Lana Lawrence – one of Texas Protax's agents. However, when we opened the envelope, the docket contained in the letter was for a firm named "Lewis Property Tax Services" and not for Lana Lawrence or any other Texas Protax agent. We provided this information to Ms. Thompson. This email was not answered or acknowledged.

7. Additionally, but in a separate email on July 16, we sent an example of a docket for Texas Tax Protest that was mailed to Texas Protax Inc. Texas Tax Protest and Texas Protax Inc. are two entirely separate firms. Our understanding is that Texas Tax Protest is based out of Dallas with a Dallas mailing address. We gave Ms. Thompson the information that we received a docket intended for Texas Tax Protest. This email was not answered or acknowledged.

8. During September, I met with Ms. Thompson to discuss an envelope we received in the mail addressed to David Bawcom, one of our agents. The issue was that the envelope was empty and did not contain any information. I took the envelope to Ms. Thompson, to show her that the envelope was empty and explain my concern again that we may not have received notices that were supposedly delivered. Her only comment to me was that we would need to file 41.411 protests on anything we do not think we received notices for.

9. Finally, On October 16, 2019, we emailed Ms. Thompson with supporting documentation that we had received Certified Mail Orders Determining Protests from the ARB for Valor Tax Solutions – again another firm not associated with Texas Protax. Again, this email was not answered or acknowledged.

10. We believe as of October 28, 2019, Protax still has 52 outstanding protests for which we never received a notice of hearing.

Executed in Travis County, State of Texas on the \_\_\_\_\_ day of January 2020.

Good afternoon, Ms. Thompson,

We received a series of hearing notices in the mail yesterday and have several questions that we hope you can answer or explain for us. I have provided some examples of the questions we have and then the actual question/comment is

highlighted in red. *Please provide answers or explanation for each red comment or question below.* 

First and foremost – Yesterday, we received 26 envelopes containing various hearing notices by US MAIL. Contained in one of those hearing notice envelopes was a notice for another firm – NOT a Texas Protax Agent. I have attached the envelope received for Agent Dawn Brady Morris. In the attached packet on pages 5 and 6 of the scanned attachment are hearing notices for Michel Gray LLP.

We are extremely concerned that some of our hearing notices could be mailed to other companies and not delivered to any of our agents.

We have agreed to all the waivers on TCAD's portal which specifically state that communication concerning any property or protest through the portal will be done electronically. This agreement is not limited to just informal settlements, so we were expecting to receive hearing notices via email and/or electronic means. However, it appears TCAD is not posting hearing dates on the Portal System – even though there are fields for hearing dates and locations on the main/standard view of parcels when you log into the portal account.

#### Good afternoon, Ms. Thompson,

We are in receipt of your letter explaining and apologizing for the dockets sent on May 20. Thank you for the added explanation. However, that form letter does not answer most of our concerns expressed in our email yesterday. I will recap and ask again for specific feedback to each question/concern stated below.

We continue to be extremely concerned that some of our hearing notices could be mailed to other companies and not delivered to any of our agents. This concern is threefold:

- Yesterday, we received 26 envelopes containing various hearing notices by US MAIL. Contained in one of those hearing notice envelopes was a notice for another firm NOT a Texas Protax Agent. I have attached the envelope received for Agent Dawn Brady Morris. In the attached packet on pages 5 and 6 of the scanned attachment are hearing notices for Michel Gray LLP.
- For the last 10 years we have relied on regular and consistent TCAD data updates to gather hearing schedules and verify hearing dates and times, but this year TCAD has refused to give us ANY data since April 15.
- TCAD is intentionally not posting hearing times and dates on either their website or the TCAD agent portal for agents to access electronically despite our agreement to opt into their Email Communication waivers.
- Again, we specifically request all hearing notices for agents with Texas Protax be sent to their email address on file – agents@texasprotax.com
- Additionally, we specifically request all hearings be given in an excel format along with the official hearing notice letter and docket.
- The letter received today still does not address the fact that the Review Board scheduled many of our agents for accounts that were timely and accurately coded to other agents.
  - Alan Clark received hearing notices for presumably 9 separate dockets with a total of 330 parcels. In those 9 separate dockets, NONE of the accounts were coded to Alan.
  - 303 of those parcels were coded in TCAD's records well before the time of hearing notice to 20 other agents of Texas Protax.

- Those 303 parcels coded to other agents were NEVER not coded to one of our agents, but did change on May 15 from Alan Clark to the 20 other agents.
- The 20 other agents assigned to those 303 parcels filed protests and submitted AoA's on or before May 15<sup>th</sup>
- TCAD recognized and continues to recognize those 303 assignments in their database.
- o 27 of the parcels scheduled for Alan had been previously revoked.
  - Our agents file formal Revocation forms (from the comptroller's office) notifying the appraisal district of any parcels we no longer represent.
  - The revocation forms are either emailed to TCAD or posted on TCAD's portal the same day we close the account in our records.
  - When we actively revoke an AoA, it is our intention to not attend the hearing, but instead allow the owner and/or the new agent to attend the hearing. We cannot withdraw that protest in case the property owner decides to attend the hearing or for fear that TCAD and/or the Review Board then closes any other protests on record for that property.
- Overall, our agents were scheduled for 1,194 parcels on June 4.
  - 522 of those parcels had revocations an/dor other agency AoA's on file with the appraisal district prior to hearing notices being sent.
  - 423 parcels were actively coded to a different agent with Texas Protax than the one sent hearing notices on May 21.
  - o The latest AoA filed with TCAD concerning these 423 properties was May 15.
  - o Only 249 protests scheduled were accurately scheduled for the correct agent.
  - See the chart below demonstrating the numbers above:

Hearing Notice Delivered To	Total on Docket	Number Correct on Docket	Number of Parcels Incorrectly sent dockets	Number of Agents Assigned to Docket (other than who docket was delivered to)	Latest AoA Updated	Number on Docket that were previously REVOKED

- We are specifically concerned about our 4 agents who are scheduled for more than 40 accounts.
  - o lan Brown is scheduled for 164
  - Your letter today indicates to us an intent to roll unheard parcels.
  - However, we cannot tell from the schedule, but Ian could literally be more than 25 different panels across the 4+ days it would take to finish his docket. Assignments.
  - o Which specific parcels will Ian be expected to work the first day?
  - o What order of parcels will lan be expected to work each day?
- As a related issue, how do each of our agents sign in for their hearings when they may be on 20 or more different dockets?
  - Attached is an example of the first page of Alan's dockets to illustrate how many agents are recognized by TCAD on this particular page of one docket.
- What order are all of our agent's parcels going to be called?
- Many of the scheduled hearings are part of our developer and inventory accounts.
  - o We filed timely renditions at the request of the appraisal district.
  - Our renditions have not been responded to, nor have any of our developer and inventory accounts received a 2019 NOAV.
    - How are Brooke Bitter and Dawn Brady Morris scheduled for inventory accounts that have not even received a 2019 NOAV?

Again, thank you for your time and consideration. We are trying to work with you to be efficient and seamless, but the little communication and information we have received is making this process more difficult than necessary.

Thanks, Debra

## TEXAS TAX PROTEST

7388

You filed a notice of protest on the attached list of accounts, and we have scheduled hearings on your protest as follows:

 Formal

 DATE:
 8/6/2019
 1:00:00 PM

 PLACE:
 850 E Anderson Lane, Austin, Texas 78752

It is important that you appear for your hearing at the date and time scheduled. In some instances, you have been assigned a panel per the attached schedule. If you have been assigned a specific panel for your accounts, it will be listed in the Panel column. If your accounts were not assigned a specific panel, please arrive at your earliest scheduled time and you will be seated in the first available panel. Failure to appear may result in the dismissal of your protest and may jeopardize other rights to which you may otherwise be entitled. If you do not want to attend the hearing, the law allows you to submit your evidence in the form of a sworn affidavit, which is included for your convenience. The property owner or appointed agent must attest to the affidavit before a Notary Public or an officer authorized to administer oaths. The affidavit must state whether or not you intend to appear at the hearing and must be submitted to the Appraisal Review Board (ARB) before it begins the hearing on the protest. By submitting an affidavit, you do not waive the right to appear in person at the protest hearing. The ARB may consider the affidavit only if you do not appear at the hearing in person.

The chair person, at his/her discretion, may modify panel assignments or scheduled times to facilitate the efficient completion of protest hearings. In addition and without limitation as to the number of postponements, the ARB shall postpone the hearing to a later date if good cause is shown by the property owner or the owner's agent or if the Chief Appraiser consents to the postponement. The hearing may not be postponed to a date past August 14<sup>th</sup> unless agreed to by the ARB chairman and the Chief Appraiser or his representative.

The Tax Code includes specific provisions regarding your legal rights and responsibilities with regard to protest hearings in addition to those mentioned above. A copy of the Appraisal Review Board formal hearing procedures is enclosed for you convenience. You should carefully read Tax Code Chapter 41 for more information.

For your hearing, you should bring 5 copies of your written evidence and/or documentation of value to support your protest. A copy of the data, schedules, formulas, and all other information the Chief Appraiser plans to introduce at the hearing will be made available at least 14 days before the scheduled hearing. If you require accommodations due to disability, please contact: (512) 834-9138.
