# City Email for Board and Commission Members

This overview was presented to City Council's Audit and Finance Committee October 25, 2011

City Clerk and Communications  
Technology Management

**Board and Commission member has an internal city email account accessed via the Web.**

1. City staffer handles PIR request like any other request.
2. No new duties for city staffers or external contracts to coordinate.
3. License and mailbox space costs.

PIR = Public Information Request

Estimated upfront cost is about \$36,000, per Teri Pennington, deputy chief information officer, Communications and Technology Management.
