

**NO WONDER CITY COUNCIL HASN'T
FOUND HOUSING AFFORDABILITY!**

FOR TOO LONG OUR CITY COUNCIL HAS STUCK ITS "HEAD IN THE SAND" WHEN IT COMES TO FACING UP AFFORDABILITY!

Just last year **Austin City Council**

\$\$\$ **Added \$10,000 of new fees and mandates to the cost of a new East Austin home.**

\$\$\$ **Passed a "visitability" ordinance to force all new homes to include ramps, high electric outlets, low thermostats and more.**

\$\$ **Added \$2,000 in utility "line fees" for new homebuyers.**

THE REAL TRUTH

Our city council has *never* approved a property tax exemption. Instead, they **RAISE** your property taxes.

Utility bills are increasing because they demanded conservation and now want more money for less water?

It's time to give the average homebuyer some relief!

THIS ELECTION IS YOUR CHANCE TO ENACT ACCOUNTABILITY AT CITY HALL.

**ASK YOUR CANDIDATE TO FIGHT FOR YOUR RIGHT TO AFFORD
TO STAY IN AUSTIN AND REMEMBER**
