Attn: Judge Lora Livingston

Dear Judge Livingston:

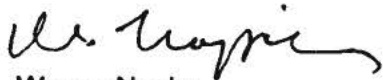

Your office selected me to serve on the TARB in December, 2017.

I am resigning my position on the Board effective immediately. Until now I have enjoyed serving as a commercial panel chair for the last two of three protest seasons and am appreciative of the management oversight provided me.

My departure is primarily the result of listening to the TCAD Board meetings and realizing the contempt the TCAD Board members have toward ARB members. This level of contempt, like a virus, spread to several of the residential appraisers and I can only express my displeasure by leaving. I have always been treated courteously by yourself and Ms. Liedtke and wish you success in selecting future ARB members who can overlook the attitude of the TCAD.

My past employment with the State Comptroller, Rehabilitation Commission, and Social Security Administration were pleasant without political overtones and I cannot permit myself to be further associated with TCAD.

Yours very truly,

Warren Napier
