

GLOSSARY OF TERMS (CONTINUED)

Nonoperating Revenues (Expenses):

STATE APPROPRIATIONS – Appropriations from the State of Texas General Revenue Fund, which supplement the U. T. institutional revenue in meeting operating expenses, such as faculty salaries, utilities, and institutional support. Also includes estimated state-paid fringe benefits costs. Although appropriated to each institution, funding for debt service on tuition revenue bonds has been budgeted at U. T. System Administration, where the debt service is actually paid.

FEDERAL SPONSORED PROGRAMS - NONOPERATING – Funding received from the federal government for which no exchange of goods or services is perceived to have occurred. This typically includes federal Pell Grants and other miscellaneous awards from the State of Texas. For FY 2022, this also includes HEERF funds awarded by the federal government to the U. T. System institutions.

STATE AND LOCAL SPONSORED PROGRAMS - NONOPERATING – Funding received from state or local governments for which no exchange of goods or services is perceived to have occurred. This typically includes Texas Research Incentive Program awards from the State of Texas and funding for the U. T. Austin Medical School provided by the local health care district.

GIFTS IN SUPPORT OF OPERATIONS – Consist of public and private gifts used in current operations, excluding gifts for capital acquisition and endowment gifts.

NET INVESTMENT INCOME – Interest and dividend income, Long Term Fund and Permanent Health Fund distributions paid from current year income and patent and royalty income. The U. T. System share of distributions from the Permanent University Fund to the Available University Fund are also included for budget purposes.

OTHER NONOPERATING REVENUES (EXPENSES) – Revenues and expenses not directly associated with the primary missions of System institutions and not included in another category.

Transfers and Other:

AUF TRANSFERS RECEIVED (MADE) – Transfers made from U. T. System Administration’s Available University Fund (AUF) primarily used to finance excellence at U. T. Austin and general administration at U. T. System Administration. AUF Transfers Received are included in budgeted “revenue” at U. T. Austin and U. T. System Administration in order to be incorporated into margin calculations. To allow revenue totals to balance Systemwide, AUF Transfers Made are reported as a contra-revenue at U. T. System Administration.

TRANSFERS FOR DEBT SERVICE – INTEREST/LEASE INTEREST – Reflects debt service activity at all U. T. institutions and includes only the interest portion of mandatory debt service transfers under the Revenue Financing System, Tuition Revenue bond and PUF bond programs. Also reported on this line is the reclassified portion of GASB 87 capitalized lease activity that is attributable to interest. Through the REVERSE TRANSFERS FOR DEBT SERVICE (SYSTEM ONLY) line item, these amounts are eliminated for purposes of calculating the Systemwide SRECNP Change in Net Position. This elimination leaves virtually all interest expense for the entire System reflected at U. T. System Administration since most of the System’s debt is issued in the name of the U. T. System Board of Regents.
