4.03. Preliminary Hearing.

B. If the Executive Director determines that there is a reasonable basis to believe that there has been a violation of Commission-administered laws requiring injunctive relief, or involving civil sanctions, the Executive Director shall cause a preliminary hearing notice of alleged violations to be sent to the alleged violators. The persons alleged to have committed the violations shall receive at least 10 business days' notice of the hearing, a copy of the complaint, and be informed of their right to be present in person and represented by counsel. All preliminary hearings shall be held in accordance with the Commission's procedures and be public.

4.04. Penalties, Sanctions, Fines, and Other Relief

A. **Criminal Penalties.** A person commits an offense who violates intentionally and knowingly violates any Commission-administered law, or who causes any other person to violate any such law, or who aids and abets any other person in a violation. An offense under this Chapter is a Class C misdemeanor punishable as provided by state law. Each failure to file a report, failure to disclose or provide required information, failure to perform a required act, or commission of a prohibited act, is a separate offense. Each day that a violation persists is a separate offense. The penalties provided for in this section are in addition to any other remedies available under city or state law.

B. **Injunctive Relief.** Injunctive and mandamus relief in court may be sought to enforce an ongoing or threatened violation of Commission-administered laws. A violation of

Commission-administered laws is presumed as a matter of law to be irreparable harmful without any other evidentiary showing.

C. Sanctions. If the Commission determines that a civil violation has occurred, or removal or recall from office is warranted, the Commission may impose or recommend the following sanctions as it deems appropriate: a letter of notification, a letter of admonition, a reprimand, a recommendation of removal from office or a recommendation of suspension from office, letter of censure, or a recommendation of recall. If the Commission recommends removal or recall, the Executive Director shall take all actions, including filing suit in a court of competent jurisdiction, to accomplish that directive. The Commission shall delineate when these sanctions are appropriate by written rules or policies.

D. Compelled Required Commission Documents. The Executive Director may issue an administrative order to compel any person to produce reports, statements, documents or other information to the Commission within a reasonable time-period. The Commission may file an action in any court of competent jurisdiction to enforce such order.

E. Late Fines. A person responsible for filing a late report, statement, document, information, or fee is liable to the City for payment of a late fee. Reports and documents subject to a fee, for which the fee is not paid timely, are considered filed late and in violation.

The amount of the late filing fee shall be set by rules and regulations of the Commission. A late filing fee is not penal in nature and is in addition to any other available sanction or remedy for a late filing of a report. A person's payment of a late fee under this section does not discharge a person's liability for a criminal offense under this chapter. The Executive Director shall determine whether a report under this chapter is late. On making a determination that a report is late, the Executive Director shall promptly send a notice of the determination to the person responsible for the filing, notifying the person of the fee for late filing or fee payment, and charging the late fee. If the fee and late fee is not paid before the 10th day after the date on which the notice is received by the person responsible for filing the report, the person is liable to the City for additional late fees periodically as determined by rules and regulations of the Commission.

Should any initial or subsequent applicant pool contain less than 4 remaining applicants willing and able to serve, the Commission shall direct the City Auditor to establish an Applicant Review Panel of 3 qualified independent auditors consistent with Sections 5.02 and 5.03 to replenish the applicant pool to have 12 applicants within 4 months of such request.
