The Lunch for LifeWorks: Celebrating 25 Years of Fearless Advocacy -- Junior League Community Impact Center [REDACTED]

Dear CM Kelly,

I hope that all is well with you! I would love for you to join me as a guest at my table at ***The Lunch for LifeWorks: Celebrating 25 Years of Fearless Advocacy***. This annual fundraising event will take place on **Wednesday, April 26th** from 11 AM to 1 PM. You will have the option of joining me in person at the Junior League Community Impact Center [REDACTED] or tuning into the program virtually during the second hour, as it will be live streamed.

This year LifeWorks celebrates 25 years since its founding from the merger of four smaller agencies. The LifeWorks team has made a tremendous impact during this time with many significant milestones, helping youth and families pursue a life they love and a stable future. At the same time, challenges for the youth served persist, from mental health difficulties amplified by the pandemic to youth homelessness increased by Austin's affordable housing crisis. Through it all, one constant is the importance of community support for LifeWorks clients.

While the Lunch provides an opportunity for guests to learn more about the LifeWorks mission, it is primarily a fundraising event seeking supporters to build a strong, sustainable funding base. The goal is to secure donations in support of the LifeWorks mission, including Legacy Circle Members who commit to the cause through multi-year contributions. Although there will be no direct pressure to donate, an opportunity will be extended.

The invitation with the details (and, yes, a 1998 picture of me) is attached below. If able to attend, please register at this link <https://www.lifeworksaustin.org/lunch2023> (select me as the one who invited you when prompted) and indicate whether you'll be joining in-person or virtually. For the in-person option, masks will be provided as an option for those who prefer to wear them. Hope you can join us!

Run of Show:

00:00 - 00:05: Introduction and “Kitchen Table Talk” (1 min each)

00:05 - 00:10: Who is Mackenzie Kelly (background) and why did you run for Austin City Council to represent District 6, especially as the sole conservative. Take Back Austin platform.

00:10- 00:20: Topic 1 - Homelessness in Austin. Your take on the matter. What has been accomplished? What still needs to be addressed in your mind and your plan to improve things.

00:20 - 00:30: Topic 2 - Rapid Expansion to Austin/Population Growth. What policies do you support to ensure that this growth is sustainable and equitable for all residents?

00:30 - 00:40: Topic 3 - Policing. You take on “Defund the Police”, and/or police reform? How do you believe the city should address concerns about police brutality and racial bias, while also ensuring that residents feel safe

and protected?

00:40 - 00:50: Topic 4 - Mail Theft in Austin. You've asked Interim City Manager Jesus Garza to investigate mail thefts through the city. How systemic is this issue and what changes/step do you recommend Austin take?

00:50 - Close: You're halfway through your term representing District 6. When you look back on the last 2 years what do you feel as the greatest achievements Austin has made based on your support? What are your top priorities for the last 2 years of your current term? And do you plan to run again?

Ideally we want the conversation to be as organic as possible so feel free to adlib as you see fit but we are striving for the conversation to be substantive based on the what's currently impacting Austin.

Thank you again for your time and we look forward to speaking with you later today.

Marcus and Rebecca.

Hello Thomas - great to meet you and Councilwoman Kelly's team today!

NAWBO ATX is observing our one-year anniversary as an officially chartered NAWBO chapter this month; the upcoming May 24th event is a great time to commemorate and celebrate it. We will be honored to have Councilwoman Kelly help us do just that with her proclamation!

The event we spoke about is:

What: Connecting at Condren Spring Celebration Networking Event

When: Wednesday, May 24, 2023, 4:30 p.m. – 6:30 p.m.

Where: Erin Condren Store at The Domain, [REDACTED]
[REDACTED]

We gather at the upstairs event loft of the Erin Condren store, and offer wine/other beverage and light bites. We typically welcome 30+ women at our networking events and are excited Councilwoman Kelly (and staff member) will be joining us!

Park in the Red Garage (free), and you'll find the Erin Condren store directly across the street.

As we discussed, we would like Councilwoman Kelly and a staff person to be our guests; the promo code [REDACTED] is valid for two comp tickets to the event. Sign up here:

Look forward to this - and thanks so very much!

Hi Patricia!

Thanks for getting back to me on this! While I can't share a full list of questions, here are the main areas I'd be interested in asking about:

- What will the impact of these hospitals be on the community?
- Can you speak more broadly to the need for pediatric care facilities in your district and Austin at large? Is this a growing need?
- These two facilities are very close together; with the growing number of pediatric services coming to the area, how will parents choose where to go when their child needs care?
- Are there any numbers available that illustrate this need for more children's hospitals?

Thank you!

 Our audience will mostly be young conservative women with the workshop focused on learning skills applicable to any leadership position.

Would love for Councilmember Kelly to share her journey to public leadership, lessons learned along the way, and advice to young conservative women who are looking to take on positions in leadership whether it be running for office, applying for a board or commission, testifying at a hearing, or raising awareness about an issue in their community.

We want our attendees to leave the workshop feeling inspired and ready to lead.

what led up to this, how much damage, etc. We can also dovetail into the ongoing issue with lack of police – I just saw that DPS will resume patrolling in Austin, and how that plays into the homeless issue and crime in general. And we'd be very happy to talk about anything else the Councilwoman would like to talk about. Let me know if you need anything else. Thanks!

Good morning, Patricia! Is Councilwoman Kelly available next Tuesday, 6/27, to do a live phone interview on Breitbart News Daily? We'd like to talk about the problem of homelessness in liberal cities and talk to MacKenzie specifically about the damage caused to the Gaines Creek area. I have times at 7am, 7:20am, or 7:40am Central. Approximately 20-25 minutes. Thank you!

Interview with Ben Thompson: Community Impact -- City Hall; - CM Kelly's Office

Good morning Patricia,

We're looking to briefly cover the new special audit report about Austin's development notifications, and I had a few points I wanted to ask if the CM would like to comment on for our story given her cosponsorship of the council request. We'd be interested in hearing her overall thoughts on the current notification system, why she called for a new review of this topic, and whether she thinks any rules/process changes are needed or might be proposed by council in the near future.

We're still figuring out our schedule for the week so I don't have a deadline set as of this morning, but I think we'll need to hear back by Wednesday afternoon if there is anything she'd like to note for this one. I'll be sure to circle back if that changes. Thanks as always!

July 27, 2023 Continued

Thursday

You are invited to attend the City of Austin Employee Memorial on July 27, 2023 at 9:00 a.m. in Council Chambers.

The City of Austin will honor Firefighter Rodney Kelley, Fire Battalion Chief Travis Maher, Officer Eric Lindsey, Officer Lewis “Andy” Traylor, and Sergeant Steve Urias with a ceremony and memorial plaque in celebration of their life and service to the residents of Austin. The ceremony will include remarks from Interim City Manager Jesús Garza, Chief Joel Baker of the Austin Fire Department, and Chief Joseph Chacon of the Austin Police Department, as well as the presentation of a memorial plaque to the families.

The City of Austin established the Public Service Employee Memorial in May 2011 to pay tribute to employees who have lost their lives while serving the residents of Austin in their professional capacities. The City of Austin hosts the memorial for the employee’s family to acknowledge their sacrifice and in remembrance of the lives, dedication, and service of these individuals.

We hope you will join us as we come together to remember our fellow employees. If you have any questions or would like to RSVP, please contact sammi.curless@austintexas.gov.

1. You are a former firefighter. Is it a no brainer to get these trucks equipped and/or retrofitted with AC?
2. Are there other first responders in Austin who need more funding?
3. On Wednesday, Council heard public comment on the proposed city budget including some residents who think the police department is getting too much in the budget. Why would more defunding be a bad idea for Austin?
4. Critics say the Austin City Council is radical and they are getting what they deserve for defunding police. This isn't the same council from 2020. Is it fair for critics to continue to make that claim?
5. Has Austin grown too fast for city services to keep pace?
6. What do you think the biggest challenge is living in Austin?

Regarding the Austin Aquarium

Just by way of context for that meeting if it's helpful: I represent District 3 on the Animal Advisory Commission and worked closely with the language of the proposal in that capacity. Our chair, Ryan Clinton, requested that I reach out to your office, as Councilmember Kelly had asked of him to be kept in the loop with respect to the Aquarium issue. Apart from that, in my professional capacity, I serve as the Associate Director of Policy and Research at [Harvard Law School's Animal Law and Policy Program](#). Interview with KXAN Blake DeVine re: CERT Course -- Jollyville Volunteer Fire Department (9218 Anderson Mill Rd, Austin, TX 78729)
Patricia,

Hope you enjoyed a wonderful weekend!

This week, I'm interested in pursuing a TV story on Councilmember Kelly leading a CERT Course at the Jollyville Fire Department.

Wondering if I could schedule an interview with Mackenzie and maybe someone else playing a pivotal part in the course instruction.

Ideally, I'd arrive on-sight around 3 p.m. on Thursday to conduct the interviews and film footage of the course being taught.

Looking forward to hearing your thoughts!

Fox 7 in studio -- fox 7

We are planning a 3pm in-studio recorded segment (8/4/23) with Austin Council member Mackenzie Kelly.

We will discuss the city budget, priorities, input and transparency.

1. During the recent budget work session, you highlighted compression issues within the 911 communications department. Can you explain why it is crucial to address pay compression and how it can impact the effectiveness of emergency services?
2. In previous years, you championed a NARCAN resolution. Are there any plans to include funding for NARCAN or similar life-saving initiatives in this year's budget?
3. How do you foresee this contributing to the well-being of the community and the city's overall safety measures?
4. As the budget discussions progress, what are some of the key areas you and your fellow council members are focusing on to ensure a balanced and impactful allocation of resources?
5. How do you aim to address the diverse needs and concerns of different neighborhoods and constituencies within Austin?
6. As part of your role on the council, you have engaged with constituents to gather feedback, how has community input influenced the shaping of this year's budget, and how are you working to ensure transparency and public involvement in the decision-making process?

Mutts Canine Cantina Ribbon Cutting -- 9825 N. Lake Creek Parkway; Austin, TX 78717

Hi Patricia,

Hope you are having a great week! As mentioned in my previous email, due to unforeseen construction delays, [MUTTS Canine Cantina® Austin](#) sadly had to reschedule their grand opening.

MUTTS® Austin will be hosting their **Grand Opening Celebration on Thursday, August 10th** for the public and their pups from 4-10pm, with an **official ribbon cutting ceremony at 6pm**. We would be honored to have Council Member Mackenzie Kelly join us and hope this new date still works with her busy schedule.

We apologize for the inconvenience and appreciate your understanding. We will gladly provide further details and make any necessary arrangements to ensure her presence is as enjoyable and convenient as

HOLD: Special Called Meeting of the Austin City Council - Disaster Declaration -- City Hall/WebEx
We will need to have a special called meeting of the Austin City Council next week to approve a resolution for a Disaster Declaration.

Council Members:

As you know, the City Charter and Texas law gives authority to the mayor to declare a disaster under certain circumstances. In consultation with our professional staff, I have exercised my authority to make such a declaration related to wildfires and potential wildfires. A copy of the declaration is attached.

<http://assets.austintexas.gov/austincou ... 180358.pdf>

Texas law requires that in the case of such a declaration, the City Council needs to ratify the action for the declaration to last longer than 7 days. As a result, I'm calling a special meeting of the Council for Tuesday, August 22nd at 3:00 PM. We will accommodate those who wish to be present remotely.

If you have any questions, please let me know. I appreciate your support in this matter.

Kirk

Scout troop Citizenship in the Community visit -- [REDACTED]

Hi Mackenzie. I'm the mom of Hazel, Rebekah's friend from Canyon Vista. I'm also the scoutmaster of the scout troop across from Spicewood Elementary.

I have a number of scouts who are working on BSA's [Citizenship in the Community](#) merit badge. One of their requirements is to interview one person from a branch of government. You came to my mind because you spoke with some scouts from my son's troop at a Fourth of July parade a few years ago. Also, I heard about the fire truck air conditioning problem you're working on, and I thought that could be an interesting issue the scouts could relate to during our ridiculously hot weather.

If you are up for it, are you available to come to one of our troop meetings in August? We meet on Monday nights at 7 p.m. at Hope Presbyterian Church. The only date that doesn't work for us is August 14. Rebekah is welcome to come along so she can check out the troop or just spend the evening with some of her friends from school.

We meet at Hope Presbyterian Church across from Spicewood Elementary School, [REDACTED]. If Representative Kelly texts me when she is there, I can meet her and show her where our room is. My number is [REDACTED]

APF Springwoods Park Open Workday -- Springwoods Park (9117 Anderson Mill Rd, Austin, TX 78729, United States)

Please join Austin Parks Foundation for a fun, green day giving back to Springwoods Park! We will be taking care of our scorched trees by spreading mulch, picking up litter, and potentially working on painting projects throughout the park. Springwoods Park is home to a Little Free Library and a pedestrian walking bridge that could use a fresh coat of paint.

What to bring: Plenty of water, and wear comfortable, preferably long outdoor clothing you don't mind getting dirty. Sunscreen and hat recommended!

Where to meet: We will gather at 9AM near the Springwoods Parking lot.

Parking information: Parking is available in the parking lot.

Thank you so much for caring for our parks!

Speaking at the Northwest Austin Republican Women -- Balcones Country Club [REDACTED]

[REDACTED]
Patricia - she can talk on whatever topic is current for the city that she feels she'd like to talk about and maybe just what it's like on city council in general too some. Speak about 15 minutes with possibly a couple of questions at the end if that works for her. If she'd rather not have questions (some of our speakers would rather not) that's fine, just let me know. We meet at Balconies Country Club, [REDACTED]. If she could arrive about 11:15 that would be great and we will provide her lunch. If she brings an assistant, let me know so that we can provide them lunch as well.
