The City of Austin's Planning Commission is interested in hearing directly from live music venues in the Red River Cultural District about the current City initiative, the [Palm District Plan](#).

You are being invited to share your questions, concerns, and requests in response to how the plan would impact live music venues in the Red River Cultural District.

The Red River Cultural District asked the Planning Commission to consider additional recommendations to support live music venues, creative spaces, and the Red River Cultural District as a whole for the plan prior to recommending adoption to the City Council.

The Planning Commission has specifically requested the assistance of the Red River Cultural District in engaging venue owners within the District to discuss challenges to the plan. Your input is greatly needed. Please join us on May 10th from 2pm-3pm via zoom to share your comments.

Hey, Michael (M.)

Had a chance to catch up a bit more with our team, especially Michael Pennock, who helps shepherd the music program here at AUS. I've copied Michael (P.) on this email and we were looking to see if you might have a quick window to visit by Teams on this? I think he can provide some helpful context into how our program is structured. If that would work, I'll try to find us some time real soon (I know we have the holiday next week and then I'll be out for several days), so maybe aim for later this week??

Thanks man, talk soon.

Hello Sharon and John,

We've been working closely with ATX Musicians and CM Qadri's office (copied) on developing the attached resolution regarding minimum pay for live music performances when the City is directly commissioning their work. We would be very interested in your office's co-sponsorship.

The impact of this will largely be:

- To set a standard pay rate for grants from the live music fund
- To increase the amount paid by the airport's music program from \$150/person to \$200/person

I'm happy to talk about it further if you like, whenever you have a moment later this week.

Hello Ben. I hope you're having a nice afternoon!

Thank you for meeting this morning. As we discussed, It would be wonderful to meet in person to review the proposed mixed use project located at 1700 South Lamar. We were thinking that a lunch meeting with you and Council Member Alter and Melissa or Natalie and Council Member Quadri to introduce and discuss the proposal would be great. Please let me know your thoughts and who to reach out to in your office to help coordinate dates and times. Once I know your scheduler, I will reach out to both offices to get this on the calendar.

Thank you so much for your time and assistance.

Subject: Budget Sub-Quorum Meeting

Hello Budget Sub-Quorum,

Looking ahead to the next couple of weeks, I'm sure that our calendars will fill quickly in preparation for the July 20th Council Meeting. Before any available windows close, I was hoping to set a time for our group to get together after the Friday July 14th release of the City Manager's Budget and before the first budget session on Wednesday July 19th according to the timeline laid out in the Mayor's helpful message board post:
<https://austincouncilforum.org/viewtopic.php?t=1833>

It looks like **Monday July 17th from 4-5pm** is available on everyone's calendar so I will tentatively send out a calendar invite to hold the time. If that doesn't work for anyone's council member, can you please let us know and we'll try and find an alternative. Thanks.

All the best,
Michael McGill
