Good afternoon Councilmember Vela, Tenley, and Ramey,

Hope this e-mail finds you all well. I'm reaching out to connect the three of you regarding the Better Builder Program.

Councilmember Vela has expressed interest in learning more about Travis County's implementation of the Better Builder model and bringing something similar forward at the City of Austin. Ramey Ko is the Councilmember's Senior Policy Advisor, who we've spoken to at length regarding Better Builder on current CoA projects.

Tenley Aldredge is currently the Contract Compliance Director at Travis County (and prior Assistant County Attorney). She spearheaded the creation of the Contract Compliance Program, which utilizes the Better Builder model, and now manages a team of in-house Better Builder certified monitors and officers.

I hope you can all connect. In the meantime, please reach out to me with any additional questions or assistance with next steps at the City. Looking forward to seeing how this materializes!

Thanks, and I hope you all have a great holiday weekend.

If you do not plan to travel on your flight: In accordance with Southwest's No-Show Policy, if you are not planning to travel on any portion of this itinerary, please cancel your reservation at least 10 minutes prior to the scheduled departure time of your flight. Any Customer who fails to cancel reservations for a Wanna Get Away® or Wanna Get Away Plus™ fare segment at least ten (10) minutes prior to the scheduled departure time and who does not board the flight will be considered a no-show, and all remaining unused Wanna Get Away or Wanna Get Away Plus funds will be forfeited. All remaining unused Business Select® or Anytime funds will be converted to a flight credit. If you no-show for your reward travel reservation, the points will be redeposited to the purchaser's Rapid Rewards® account. Any taxes and fees associated with your reward travel reservation will be held for future use in the form of a flight credit. **Starting July 1, 2023 (12:00 a.m. CT),** for Wanna Get Away® or Wanna Get Away Plus™ award travel reservations: If you do not cancel your reservation at least 10 minutes before the flight's original scheduled departure time, any points used for booking will be forfeited, along with any taxes and fees associated with your award travel reservation. For Anytime or Business Select award travel reservation: The points used for booking will continue to be redeposited to the purchaser's Rapid Rewards account, and any taxes and fees associated with the award travel reservation will be converted into a flight credit for future use.

Prohibition on Multiple/Conflicting Reservations: to promote seat availability for our Customers, Southwest® prohibits multiple reservations for the same Passenger departing from the same city on the same date, or any multiple reservations containing conflicting or overlapping itineraries (such as departures for the same Customer from multiple cities at the same time). Furthermore, without advance notice to the Passenger or purchaser, Southwest may cancel such reservations, or any other reservations that it believes, in its sole discretion, were made without intent to travel. With the exception of Southwest gift cards, funds from proactively canceled reservations by Southwest will be returned to the original form of payment. Reservations paid for with a Southwest gift card will have the amount applied from the gift card held as a flight credit for use by the Customer on a future Southwest Airlines® flight.

If you do not plan to travel on your flight: In accordance with Southwest's No-Show Policy, if you are not planning to travel on any portion of this itinerary, please cancel your reservation at least 10 minutes prior to the scheduled departure time of your flight. Any Customer who fails to cancel reservations for a Wanna Get Away® or Wanna Get Away Plus™ fare segment at least ten (10) minutes prior to the scheduled departure time and who does not board the flight will be considered a no-show, and all remaining unused Wanna Get Away or Wanna Get Away Plus funds will be forfeited. All remaining unused Business Select® or Anytime funds will be converted to a flight credit. If you no-show for your reward travel reservation, the points will be redeposited to the purchaser's Rapid Rewards® account. Any taxes and fees associated with your reward travel reservation will be held for future use in the form of a flight credit. **Starting July 1, 2023 (12:00 a.m. CT),** for Wanna Get Away® or Wanna Get Away Plus™ award travel reservations: If you do not cancel your reservation at least 10 minutes before the flight's original scheduled departure time, any points used for booking will be forfeited, along with any taxes and fees associated with your award travel reservation. For Anytime or Business Select award travel reservation: The points used for booking will continue to be redeposited to the purchaser's Rapid Rewards account, and any taxes and fees associated with the award travel reservation will be converted into a flight credit for future use.

Prohibition on Multiple/Conflicting Reservations: to promote seat availability for our Customers, Southwest® prohibits multiple reservations for the same Passenger departing from the same city on the same date, or any multiple reservations containing conflicting or overlapping itineraries (such as departures for the same Customer from multiple cities at the same time). Furthermore, without advance notice to the Passenger or purchaser, Southwest may cancel such reservations, or any other reservations that it believes, in its sole discretion, were made without intent to travel. With the exception of Southwest gift cards, funds from proactively canceled reservations by Southwest will be returned to the original form of payment. Reservations paid for with a Southwest gift card will have the amount applied from the gift card held as a flight credit for use by the Customer on a future Southwest Airlines® flight.

If you do not plan to travel on your flight: In accordance with Southwest's No-Show Policy, if you are not planning to travel on any portion of this itinerary, please cancel your reservation at least 10 minutes prior to the scheduled departure time of your flight. Any Customer who fails to cancel reservations for a Wanna Get Away® or Wanna Get Away Plus™ fare segment at least ten (10) minutes prior to the scheduled departure time and who does not board the flight will be considered a no-show, and all remaining unused Wanna Get Away or Wanna Get Away Plus funds will be forfeited. All remaining unused Business Select® or Anytime funds will be converted to a flight credit. If you no-show for your reward travel reservation, the points will be redeposited to the purchaser's Rapid Rewards® account. Any taxes and fees associated with your reward travel reservation will be held for future use in the form of a flight credit. **Starting July 1, 2023 (12:00 a.m. CT),** for Wanna Get Away® or Wanna Get Away Plus™ award travel reservations: If you do not cancel your reservation at least 10 minutes before the flight's original scheduled departure time, any points used for booking will be forfeited, along with any taxes and fees associated with your award travel reservation. For Anytime or Business Select award travel reservation: The points used for booking will continue to be redeposited to the purchaser's Rapid Rewards account, and any taxes and fees associated with the award travel reservation will be converted into a flight credit for future use.

Prohibition on Multiple/Conflicting Reservations: to promote seat availability for our Customers, Southwest® prohibits multiple reservations for the same Passenger departing from the same city on the same date, or any multiple reservations containing conflicting or overlapping itineraries (such as departures for the same Customer from multiple cities at the same time). Furthermore, without advance notice to the Passenger or purchaser, Southwest may cancel such reservations, or any other reservations that it believes, in its sole discretion, were made without intent to travel. With the exception of Southwest gift cards, funds from proactively canceled reservations by Southwest will be returned to the original form of payment. Reservations paid for with a Southwest gift card will have the amount applied from the gift card held as a flight credit for use by the Customer on a future Southwest Airlines® flight.

If you do not plan to travel on your flight: In accordance with Southwest's No-Show Policy, if you are not planning to travel on any portion of this itinerary, please cancel your reservation at least 10 minutes prior to the scheduled departure time of your flight. Any Customer who fails to cancel reservations for a Wanna Get Away® or Wanna Get Away Plus™ fare segment at least ten (10) minutes prior to the scheduled departure time and who does not board the flight will be considered a no-show, and all remaining unused Wanna Get Away or Wanna Get Away Plus funds will be forfeited. All remaining unused Business Select® or Anytime funds will be converted to a flight credit. If you no-show for your reward travel reservation, the points will be redeposited to the purchaser's Rapid Rewards® account. Any taxes and fees associated with your reward travel reservation will be held for future use in the form of a flight credit. **Starting**

July 1, 2023 (12:00 a.m. CT), for Wanna Get Away® or Wanna Get Away Plus™ award travel reservations: If you do not cancel your reservation at least 10 minutes before the flight's original scheduled departure time, any points used for booking will be forfeited, along with any taxes and fees associated with your award travel reservation. For Anytime or Business Select award travel reservation: The points used for booking will continue to be redeposited to the purchaser's Rapid Rewards account, and any taxes and fees associated with the award travel reservation will be converted into a flight credit for future use.

Prohibition on Multiple/Conflicting Reservations: to promote seat availability for our Customers, Southwest® prohibits multiple reservations for the same Passenger departing from the same city on the same date, or any multiple reservations containing conflicting or overlapping itineraries (such as departures for the same Customer from multiple cities at the same time). Furthermore, without advance notice to the Passenger or purchaser, Southwest may cancel such reservations, or any other reservations that it believes, in its sole discretion, were made without intent to travel. With the exception of Southwest gift cards, funds from proactively canceled reservations by Southwest will be returned to the original form of payment. Reservations paid for with a Southwest gift card will have the amount applied from the gift card held as a flight credit for use by the Customer on a future Southwest Airlines® flight.

Subject: Budget Sub-Quorum Meeting

Hello Budget Sub-Quorum,

Looking ahead to the next couple of weeks, I'm sure that our calendars will fill quickly in preparation for the July 20th Council Meeting. Before any available windows close, I was hoping to set a time for our group to get

together after the Friday July 14th release of the City Manager's Budget and before the first budget session on Wednesday July 19th according to the timeline laid out in the Mayor's helpful message board post:

<https://austincouncilforum.org/viewtopic.php?t=1833>

It looks like **Monday July 17th from 4-5pm** is available on everyone's calendar so I will tentatively send out a calendar invite to hold the time. If that doesn't work for anyone's council member, can you please let us know and we'll try and find an alternative. Thanks.

All the best,

I am thrilled you said yes to helping us judge our upcoming public testimony workshop this Sunday for our national undergraduate Public Policy and International Affairs (PPIA) scholars.

The public testimony workshop will be held 8:30am to 10:30am, Sunday, July 23, at the LBJ School of Public Affairs located at 2315 Red River St, Austin, TX 78712. Please park in LOT 39 directly in front of the school when you arrive in any A or F39 spot. We will provide you with a parking pass when you arrive. **If you would like breakfast, please feel free to arrive at 8:00am.**

Over the course of the coming weekend, our scholars will be working researching and crafting a 3-minute oral testimony, with an accompanying one-pager, to deliver to you during the workshop. Each of you will have roughly 10-15 students in your section.

Each student will present you with a rubric that you will use to rate, score, and note them on. Following each student, or after all the student have gone, we ask that you give 2-3 minutes of feedback for each student, so they can grow in their public testimony skills. You will then pick one student from your group that had the most effective testimony to announce to the larger group of 45. We will have a special prize for that student from your group.

July 23, 2023 Continued

Sunday

Myself and other LBJ staff with pop between the workshop rooms to ensure all is going smoothly during the course of the morning.

Please let me know if you have any questions. I look forward to seeking you this Sunday!

Thank you again!

Hello and happy Friday,

I'm reaching out to find another time for the budget sub-quorum to get together. Similar to last time, available windows on the calendar are few, but it looks like Monday July 31st at 1pm is available for all of the elected officials. I'm going to send a calendar entry to hold that time, but please let me know if it doesn't work for any of your offices.

All the best,

Michael

Hi all,

It sounds like each of the offices are available at this time so I'm going to go ahead and change the Calendar entry from a "Hold" and go ahead and invite the Council Members. The Mayor's office has agreed to host us in their conference room.

Thanks so much and I look forward to collaborating.

All the best,

Michael

Hello Budget Sub-Quorum,

July 31, 2023 Continued

Monday

Looking ahead to the next couple of weeks, I'm sure that our calendars will fill quickly in preparation for the July 20th Council Meeting. Before any available windows close, I was hoping to set a time for our group to get together after the Friday July 14th release of the City Manager's Budget and before the first budget session on Wednesday July 19th according to the timeline laid out in the Mayor's helpful message board post:

<https://austincouncilforum.org/viewtopic.php?t=1833>

It looks like **Monday July 17th from 4-5pm** is available on everyone's calendar so I will tentatively send out a calendar invite to hold the time. If that doesn't work for anyone's council member, can you please let us know and we'll try and find an alternative. Thanks.

All the best,
Michael McGill

Council Member-

Thank you for the inquiry. The best option for consideration of these two items is via the Council Budget question process. With that said, here are a few items for reference to help clarify the decisions related to the City Manager's proposed budget and perhaps expedite the drafting of a FY24 question.

Shade

The following memo is the document referenced to make the decision about an allocation for shade. This communication was forwarded earlier this year.

Lifeguards

I've attached a response from FY2023 related to lifeguard positions and associated costs. The impacts and costs for FY2024 will require calculating. Please know unlike last year, the Department does not have sufficient temporary personnel funds to commit to new positions in lieu of new funding. That could be calculated in response to a FY2024 question.

I hope this helps and thank you for opening up the conversation.

Subject: Budget items

Director McNeeley,

Good talking to you! Just wanted to follow up, I am happy to push for more permanent, full time lifeguard positions if you think they are needed. During our conversations around this item last year, you indicated that you could use about 30 full-time permanent lifeguards to staff the year round pools. I believe we got 13 last year, I will push to add to that total (maybe another dozen?) if you think it will help your operations.

On the shade structures, I was happy to see the \$200k for the shades, but I believe there is strong support from council to add to this amount. The summer heat has been brutal and makes our playgrounds virtually unusable for months. I'd like to maximize the one year funding to the highest level that you can build out in a year (\$500k?) and I think there would also be support to add shade structure funds dedicated to your capital budget that could be pulled over the next few years as needed.

Let me know your thoughts. Thank you .

Hello and happy Friday,

I'm reaching out to find another time for the budget sub-quorum to get together. Similar to last time, available windows on the calendar are few, but it looks like Monday July 31st at 1pm is available for all of the elected officials. I'm going to send a calendar entry to hold that time, but please let me know if it doesn't work for any of your offices.

All the best,

Michael

Hi all,

It sounds like each of the offices are available at this time so I'm going to go ahead and change the Calendar entry from a "Hold" and go ahead and invite the Council Members. The Mayor's office has agreed to host us in their conference room.

Hello Budget Sub-Quorum,

Looking ahead to the next couple of weeks, I'm sure that our calendars will fill quickly in preparation for the July 20th Council Meeting. Before any available windows close, I was hoping to set a time for our group to get together after the Friday July 14th release of the City Manager's Budget and before the first budget session on Wednesday July 19th according to the timeline laid out in the Mayor's helpful message board post:

<https://austincouncilforum.org/viewtopic.php?t=1833>

It looks like **Monday July 17th from 4-5pm** is available on everyone's calendar so I will tentatively send out a calendar invite to hold the time. If that doesn't work for anyone's council member, can you please let us know and we'll try and find an alternative. Thanks.

Council Member-

Thank you for the inquiry. The best option for consideration of these two items is via the Council Budget question process. With that said, here are a few items for reference to help clarify the decisions related to the City Manager's proposed budget and perhaps expedite the drafting of a FY24 question.

Shade

The following memo is the document referenced to make the decision about an allocation for shade. This communication was forwarded earlier this year.

<https://services.austintexas.gov/edims/pio/document.cfm?id=401314>

This document clearly identifies the amount needed for two specific locations.

Lifeguards

I've attached a response from FY2023 related to lifeguard positions and associated costs. The impacts and costs for FY2024 will require calculating. Please know unlike last year, the Department does not have sufficient temporary personnel funds to commit to new positions in lieu of new funding. That could be calculated in response to a FY2024 question.

I hope this helps and thank you for opening up the conversation.

Subject: Budget items

Director McNeeley,

Good talking to you! Just wanted to follow up, I am happy to push for more permanent, full time lifeguard positions if you think they are needed. During our conversations around this item last year, you indicated that you could use about 30 full-time permanent lifeguards to staff the year round pools. I believe we got 13 last year, I will push to add to that total (maybe another dozen?) if you think it will help your operations.

On the shade structures, I was happy to see the \$200k for the shades, but I believe there is strong support from council to add to this amount. The summer heat has been brutal and makes our playgrounds virtually

unusable for months. I'd like to maximize the one year funding to the highest level that you can build out in a year (\$500k?) and I think there would also be support to add shade structure funds dedicated to your capital budget that could be pulled over the next few years as needed.

Let me know your thoughts. Thank you .

6PM - Budget Amendments/IFCs DUE

The goal is to allow for us to all have a feel for potential amendments and IFCs so that there's more transparency for us and the public, sufficient time to allow staff to prepare fiscal notes for our proposals so that we will be able to determine budget impacts, and increase efficiency. Please see the post about August 10th below. I'm suggesting the filing of proposed amendments and IFCs on the 7th so that we can walk through them on the 10th.

Proposed budget amendments can be filed with Katie Stewart in the Budget Office at katie.stewart@austintexas.gov or catie.powers@austintexas.gov.

Proposed budget IFCs can be filed with Catie Powers in the Agenda Office at catie.powers@austintexas.gov.

"Budget Amendments" are items where a Council Member seeks to amend an appropriation in the budget. This could be by increasing it, reducing it or eliminating it. The amendment will need to be drafted like we do amendments in the ordinary course so that it will flow into the body of the main motion (the Budget Ordinance).

"Budget IFCs" are items from a Council Member that address policy that a member wishes to be made as part of the budget process. That includes direction to the City Manager and our professional staff. The procedures we use for IFCs generally will apply. For example, an IFC will need four sponsors.

To assure transparency and openness, Budget Amendments and Budget IFCs need to be in writing. This process will allow each of us to have a good idea of what to expect and not be surprised. It will also be good for the public and staff to know what is being contemplated.

Hello everyone!

I hope you all had a restful weekend and a good Monday. In May, the Mayor announced that the consulting firm, McKinsey & Co., will be working with the Manager's office and will conduct deep dive into our site plan review process and submit recommendations on how we can make this process easier and more efficient. We invite your boss to attend a sub-quorum briefing on **Monday, August 21st, from 10:00 am-11:00 am**. McKinsey will provide a briefing from their report, answer your bosses' questions, and discuss the next steps prior to the August 31st council meeting.

This meeting will take place virtually, and Colleen or I will be sharing a

Hi again,

The procurement team has asked me to delay the meeting start time to 10am to get some of the late evaluations worked into the full presentation. The meeting will begin at 10am.

Colleen

Good afternoon,

The procurement office has requested additional time for this meeting on the 30th due to the number of proposals that we received. This will allow the group enough time to evaluate all 12 of the proposals that were received.

Thanks,

Colleen

Mayor Watson is no longer able to attend, so we would appreciate CM Vela taking the lead on representing the City since he has attended the Festival before. Council Members Fuentes and Kelly are also supposed to attend but have not attended before. I will ask CM Fuentes and Kelly to speak then CM Vela will speak before the Consul General of Japan. They are all asked to speak briefly, for 1-2 minutes.

For CM Vela, I ask that he welcome everyone on behalf of the City of Austin. If he can share that he has been to the festival before. If he wants to speak directly about Sister Cities, here is some info. He would not need to list all of the cities.

The Sister Cities Program fosters friendly relations and understanding between the citizens of Austin and our sister cities around the world. The U.S. Sister Cities Program began in 1956 when President Dwight D. Eisenhower proposed a people-to-people, citizen diplomacy initiative. Austin's 13 sister city programs are supported by Austin Sister Cities International otherwise known as ASCI.

Speaking @ Cristina's Class -- The University of Texas at Austin (110 Inner Campus Dr, Austin, TX 78712, United States)

Virtual Joining

If joining virtually- I will send you a zoom link at least the day before we are meeting- please let me know if you would like to join virtually or in person.

Parking & Location

If you are joining us in person, there is usually public street parking located on Red River or Dean Keeton St. Our class is on the third floor of the LBJ school in room in SRH 3.312. I will meet you in the lobby at 7pm, my cell is 512-502-4741.

Format and context

We are studying four case studies- one of which is WDP and its local policy efforts on rest breaks and Better builder standards. I ask that you take 10 minutes to discuss how WDP has worked with local government to enhance workers rights protections. I think giving an update on the current fight with the recent law Abbott signed will also be welcomed and how the City is responding and working with WDP as a partner. We will then open it to questions from the students who will want to know about the challenges you faced. David Chacaon from WDP will also be attending and giving WDP's viewpoint. So y'all will be sharing the hour.

FOX7 Interview

Good morning!

We are planning a 3:15pm in-studio interview with Chito Vela, Austin City Council – District 4.

September 15, 2023 Continued

Friday

We will discuss Chito's new resolution that will require APD to release more data.

1. Talk about your resolution requiring APD to release monthly data – What do you hope those findings help accomplish for policy makers and Austin citizens?
2. Critics say the department is already in crisis mode, is your resolution an unfunded mandate for a department already weary of the Austin City Council?
3. What public need do you believe the city council should focus more resources on?
4. The city will start charging for parking on SOCO – is Austin becoming the nickel-and-dime capital of Texas?
5. Austin Energy is scheduled to raise rates for a third time in October – Are Austin residents getting their money's worth?

*Josh Peninger will meet Chito and his team in the lobby and will take them to the studio
