MacKenzie, GOP state chair Matt Rinaldi endorsed the Fab5 conservative slate for RRISD. Then Matt Mackowiak did, then TCRP did, then the State Republican Executive Committee did by a vote of 61-0. I'm going to call soon and ask for your endorsement of our RRISD Slate. I've been very deeply involved in RRISD for over 12 months since just before two parents were wrongfully jailed under the lawlessness and arrogance of Amy Weir. She is a disgusting coward quite frankly, and if she doesn't go down on Nov 8th, she will absolutely NOT survive the civil rights lawsuit she is knee deep in for unlawful jailing two Round Rock parents.

The is important enough for me to decide what I'm going to do regarding District 6 in 2024. I've started helping Bill Welch with a \$900 donation

Let's discuss this eve if you have time
